EDUCATION

Northwestern University, Chicago IL — *Web Dev Coding Bootcamp*

July 2018 - October 2018

Full time coding bootcamp program focused on full-stack web development technologies. Topics covered include CSS, Javascript, jQuery, Node.js, Handlebars.js, and React.

EXPERIENCE

Metropolis Coffee Co, Chicago IL — *Shift Leader*

October 2016 - July 2018

- Lead shifts by deploying co-workers and assigning tasks as needed.
- Utilized problem solving skills to deliver excellent customer service and resolve issues as needed.
- Additionally worked to coordinate events outside of the cafe including community donations and participation in local events; ex. CoffeeCon and Donut Fest.

ExpressJet Airlines, Chicago IL — *Flight Attendant*

April 2010 - February 2015

- Ensured high level of safety of crew and passengers by inspecting safety equipment, communicating with all passengers on safety policies and procedures, and ensuring compliance of all Federal Aviation Regulations.
- Assisted inflight operations by conducting monthly safety audits.
- Engaged with passengers and crew to provide exceptional service throughout the entire flight.
